Sir:

In response to the Notice to File Missing Parts of Application Filing Date Granted, mailed June 16, 2004, enclosed herewith is a new Declaration identifying the above captioned application by reference to a "specification...attached hereto." I hereby certify that, to the best of my bona fide knowledge and belief, (i) the specification accompanying these papers is a true copy of the specification of the application further identified in caption above and filed on the date indicated in said caption, except for any handwritten Serial Number and filing date that may have been added to the accompanying copy on its first page; (ii) the accompanying specification copy was in the physical proximity of each inventor at the time of signing the enclosed Declaration, as

Serial No. 10/767,534
Art Unit: 1755

required by M.P.E.P. § 605.04; and (iii) the enclosed Declaration is exactly as signed by the inventor(s), except for any handwritten Serial Number and filing date that may have been added to the first page thereof. (Handwritten Serial Number and filing date, if added, have been added to facilitate identification in case the accompanying papers should become separated from one another during processing in the Patent and Trademark Office.)

Please charge our **Deposit Account No. 50-1177** in the amount of **\$130.00** for the surcharge for filing a declaration on a date later than the filing date of the application. **Order No. 04-0370**. A triplicate copy of this page is enclosed for fee purposes.

It is believed that the accompanying papers together with this response constitute an adequate identification of the specification to which the enclosed Declaration refers under M.P.E.P. 601.01 and a complete and timely response to the Notice of File Missing Parts under C.F.R. §§ 1.53(d), and 1.136 if applicable. It is requested that the undersigned be notified promptly of any perceived deficiency in the response.
